Everyone's choice

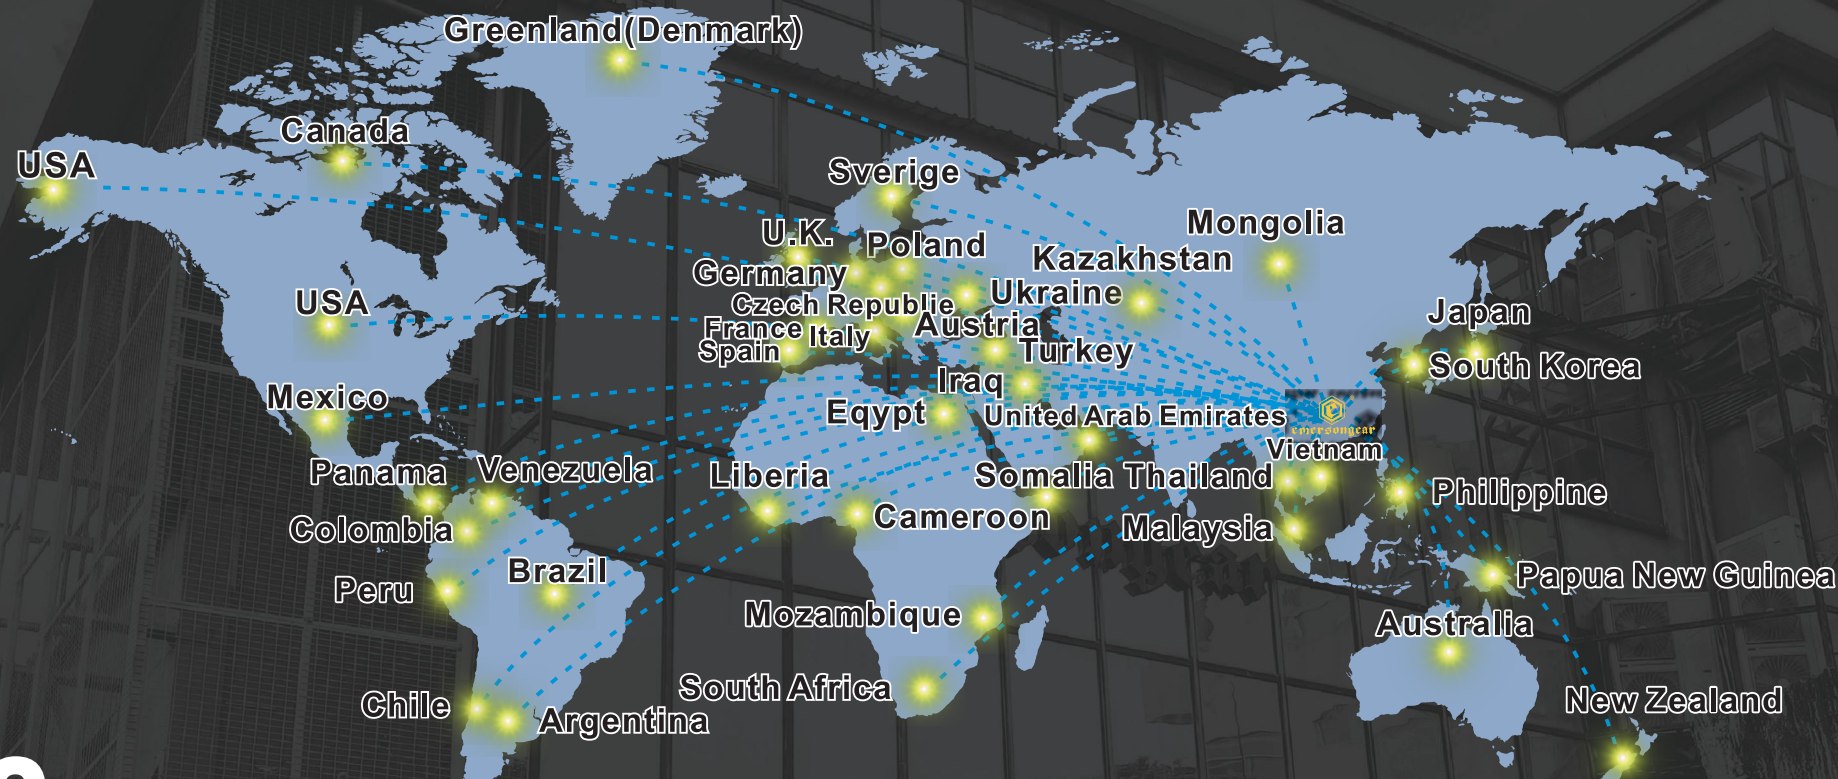

Established in 2006, we are a leading professional manufacturer with SMETA certificate for tactical gears, clothing and accessories.

Over 12000 different items, e.g. tactical apparel, bags, body armor & vests and etc, are divided into Yellow Label Series (Classic Tactical Series), Blue Label Series (Commute & Outdoor Series) and S Series (EDC Series) under our own brand EmersonGear®.

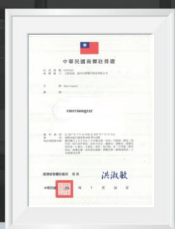

With the management principle of fighting for the mutual benefit to our staff, our partners and the society with pure minds, we use selected material with ISO9001 certified QC system to earn ourselves a good reputation among Europe, America and Southeast Asia market.
